The Lancaster County Youth Intervention Center Shelter Program is offering eligible residents to take part in a hair grooming program provided by the Lancaster College of Cosmetology. Participation in this activity provides an opportunity for your child to interact with business professionals while improving self-esteem and promoting good hygiene. If a resident is allowed to participate in this program (or privilege), they are expected to abide by all of the rules set forth by the program.

***The program will be offered to all residents who achieved the level 2 status and have shown appropriate level behavior.

My son/daughter _____, has my permission to participate in the above activity. I am aware that this is a privilege, not a right. I fully understand that my child will be making the decision about the cut/style of their choosing.
